January 4, 2017 Los Angeles, CA— DOORWAYS has been awarded a grant for \$15,000 from The Elizabeth Taylor AIDS Foundation (ETAF) in partnership with Macy's. The grant will be used for Own Home; which is a comprehensive program designed to help people living with HIV find and maintain safe, affordable housing.

DOORWAYS is honored to be recognized for our unique work in the community. "The work that DOORWAYS does to help people affected by HIV/AIDS is impressive, and very much aligned with Elizabeth Taylor's passionate commitment to the cause," said Joel Goldman, Managing Director of The Elizabeth Taylor AIDS Foundation. "ETAF and our partners at Macy's are thrilled to present DOORWAYS with these funds to help further our shared mission."

Through their Cause Marketing Program, Macy's recognizes their responsibility to the community and their concern for the needs of their neighbors. They are proud to partner with ETAF and have contributed to this grant.
